

FOR IMMEDIATE RELEASE

AEM Meeting in Walton on March 25

Dan and Naomi Buel of Franklin...proud participants in the Agricultural Environmental Management Program, a voluntary program to assist landowners in the Susquehanna and Tail Waters Basins in Delaware County to improve conservation on their farms. An informational meeting on March 25 in Walton will update farmers on regulations and new funding opportunities, and will recognize current participants. Lunch will be provided. To reserve your spot at this important meeting, call the Delaware County SWCD at 865-7161.
